

Nishkam Civic Association

“liV assessment always provides NCA with an opportunity to re-affirm our commitment towards volunteering and also recognize the real value of volunteering for volunteers and beneficiaries which we believe can be life changing within an emotional, spiritual, physical and social-wellbeing perspective.”

✓ The benefits of liV for our organisation

liV is a reputable standard which adds value in our grant application and tendering for commissioned work.

The liV standard has enabled the NCA board to independently highlight the importance and commitment to volunteering (selfless volunteering).

The liV standard also gives staff and volunteers a sense of pride.
