

Ulster GAA - renewal

Ulster GAA has achieved Investing in Volunteers Standard since 2011. We continue the renewal process as a volunteer-led organisation, because it is important to keep a focus on our volunteer practices and procedures.

The liV process gives focus to reviewing, updating and developing volunteer practices. It also gives our volunteers an opportunity to review what we do well and where we could improve. The Investing in Volunteers Standard highlights our commitment to striving for best practice in volunteering.

✓ The benefits of liV for our organisation

Through the renewal process we have focused on updating and developing our Volunteer Policy and Handbook and have involved volunteers in this development.

The renewal process give us focus to do this and has helped set a deadline for completion

We found the renewal process very worthwhile to review our volunteer policies and practices.

“ Embrace the process as a development process for your organisation, its an opportunity to develop your volunteer policies and practices process.”
